

Sopra Steria positioned as a leader in the SPARK Matrix for Application Transformation Services 2022 by Quadrant Knowledge Solutions

Paris, March 15, 2023 – Sopra Steria, a European Tech leader in consulting, digital services and software development, today announces that it has been positioned "Leader" in the SPARK Matrix for Application Transformation Services 2022 by Quadrant Knowledge Solutions.

The Quadrant Knowledge Solutions SPARK Matrix™ provides strategic insights into global market dynamics and major trends to assess provider capabilities, competitive differentiation, and positioning. Quadrant consultants evaluated 29 of the world's leading Application Transformation Services vendors.

Sopra Steria, with its comprehensive technology and customer experience strategy, receives strong ratings for service excellence and customer impact. The report especially highlights that:

- Sopra Steria provides expertise in Cloud-native offers through a wide range of available frameworks and solutions built in-house, such as Sopra Steria Discovery and Assessment, Sopra Steria MIA software, Sopra Steria Advanced Migration, Sopra Steria Apps Modernization, Sopra Steria Ops Transformation, Sopra Steria Green for IT.
- The Group is strengthening relationships with its customers and its end-to-end capabilities, including consulting, integration, operation, security, and software. Sopra Steria also addresses sovereignty challenges and, as such, stands out against its competitors.

"We are proud to have been recognised by Quadrant Knowledge Solutions as a Leader in the Application Transformation Services space and are thrilled to support our clients with innovation, productivity, and sustainability" said **Béatrice Rollet, Group CTO – Digital and Cloud Services at Sopra Steria.**

"Sopra Steria, with its comprehensive capabilities, compelling customer references, comprehensive roadmap and vision, has received strong ratings for service excellence and customer impact and has been positioned as a leader in SPARK Matrix: Application Transformation Services, 2022." stated **Manish Chand Thakur, Analyst, Quadrant Knowledge Solutions.**
